

Avalanche Hazard Forecast for Saturday 07/12/2013

Avalanche Problems

Forecast Snow Stability & Avalanche Hazard

A pilot SAIS Avalanche Information report service for the Torridon area will commence on the 24th December 2013, and will run for limited periods during the winter - 24 Dec - 29 Dec 2013 - In 2014, Jan 1- 5th, weknd 10-12th, 31 Jan - 2 Feb, 14 - 22 Feb). We would recommend that climbers, walkers and off-piste skiers currently venturing into the hills, continue to note snow and weather conditions in respect of any potential avalanche hazard. Be prepared to modify your plans accordingly.
