

Avalanche Hazard Forecast for Monday 02/02/2015

Avalanche Problems

Forecast Snow Stability & Avalanche Hazard

Due to ongoing cold weather, instabilities will persist within the snowpack.
The next avalanche report for Torridon will be published on Friday the 6th for Saturday the 7th of February 2015; however if you are venturing into this area it's worth reading the up to date weather forecasts for the North-West Highlands.
